

# STUDENT VOLUNTEERING BANGOR

It's that time of year again when the student clubs and societies have a reshuffle of their committees, and Student Volunteering Bangor (SVB) is no exception. The current Promotions Committee (see charming photo) have done a great job this past year and helped many of you students to get more out of student life than academic work and drinking! They have brought great nights out like the Moulin Rouge night in January, and most importantly ensured that the volunteering projects held within the community have run smoothly (and very successfully I might add). But like all good things, it must come to an end, and that's where you come in. SVB is looking for new committee members. There are positions for two Fundraising Officers, two Publicity Officers, two Social Secretaries and the Chairperson. Do you think you are up to the challenge? Have you got great fundraising ideas bursting to get out which you know will bring in cash for a good cause? Or do you pride yourself as the person who always arranges the best nights out that everyone is talking about for years to come? Perhaps

you feel your creativity has taken a dive in your degree and you want to get those juices flowing again by designing promotional material such as posters, screen savers, and flyers! Whatever it is that floats your boat, why not find out more information at [www.undeb.bangor.ac.uk/svb](http://www.undeb.bangor.ac.uk/svb) or email [jen.na.hughes@undeb.bangor.ac.uk](mailto:jen.na.hughes@undeb.bangor.ac.uk) and apply now for a position on the SVB Promotions Committee to make sure you get the most out of your time at university.

Here are some very exciting dates arranged by the current Promotions Committee that are coming up soon and are well worth pencilling into your diary;
